(Distribution list can be found in "Attachment 1")

Dear Distinguished Colleagues,

Let me first express my gratitude to all of you for your continued support and cooperation extended to the CTI-CFF Regional Secretariat.

CTI-CFF Regional Secretariat is implementing Sustainable Fish Asia (SUFIA) funded by USAID. As per the EAFM Workplan for 2022, CTI-CFF together with SUFIA Local Capacity Development (LCD) Activity organizing training events related to sustainable fisheries management to combat IUU fishing in the region.

The event on 30 May 2022 (9:00am to 1:00pm Manado time) will be an online training on "Fisheries Traceability Technologies for Sustainable Fisheries Management" aimed to enable discussions on feasible traceability solutions that can be applied by the member countries, especially for small-scale fisheries. In preparation for this first training, we kindly request you to please fill in the attached information matrix and send back to us by 25 May 2022 (Attachment 2).

The event on 29 June 2022 (9:00am to 1:00pm Manado time) will be an online training on "Sustainable Fisheries Resources Management to Combat Illegal, Unreported and Unregulated Fishing in the Coral Triangle Region" aimed to share knowledge and experiences in efforts to combat IUU fishing to ensure fisheries resources are managed sustainably. In preparation for this second training, we kindly request you to please fill in the attached information matrix and send back to us by 20 June 2022 (Attachment 3).

For more details of the events, please find the Program Agenda (Attachment 4). Please find the registration links for the events by zoom,
