

Learning Exchange for Coral Triangle Member Countries to The USAID Oceans and Fisheries Partnership's Learning Site (Bitung, Indonesia)

Application of Catch Documentation and Traceability (CDT) System for Fisheries and
Seafood Products

25-28 June 2018, Manado-Bitung, Indonesia

TRAVEL AND LOGISTICS SUMMARY

TRAVEL

Ground Transportation to and from Manado Airport (Sam Ratulangi International Airport) is available at the arrival area of the Manado Airport. Participants may take the airport taxi or regular taxis in going to the hotel. Following are the list of airport taxis for your references:

1. Blue Bird Taxi (+62 431) 861234
2. Dian Taxi (+62 431) 815353

ACCOMMODATION

Accommodation during the Workshop: For individual arrangements, please coordinate with your chosen hotel the Check-in/Check-out time to avoid any inconvenience especially if you are arriving late at night or early dawn. Please take note that hotels may require guests to provide a credit card or deposit upon check-in.

VENUE and PARTICIPANT ATTIRE

Workshop Venue: The venue for the workshop will be at:

Day 1

FOUR POINTS BY SHERATON MANADO
Jalan Piere Tendean Boulevard, Sario
Manado, North Sulawesi, 95111, Indonesia
Telephone: +62 431 880 3999

Day 4

CTI Centre
Jalan A.A. Maramis Kayuwatu, Kairagi II
Manado, North Sulawesi 95254, Indonesia

Meetings: One set of business attire is advised should there be for most of the meeting.

Health Considerations: Please make sure you have adequate prescriptions with you if needed and that you travel with these. Kindly notify the meeting organizers in advance if you have any health conditions.

MEALS: Lunch and coffee breaks will be provided each day at the meeting venue during the meetings.

CURRENCY: The Indonesian Rupiah is the official currency in Indonesia. Money changers may be found just outside the arrival area at the Manado Airport before going to the venue. Banks and ATMs may also be found throughout Manado.

ELECTRICITY: Electricity in Manado, Indonesia is 220/240 Volts; power socket type C and type F. Travelers from most nations in Asia and Europe should have appliances that work on the same mains voltage as Indonesia, and therefore will not need a voltage converter. If your country does not use the power socket type C or type F, please be advised to have a universal travel power adapter. This enables you to plug your appliance into the sockets in Indonesia. Simply put, you plug your appliance into the power adapter and then plug the power adapter into the wall socket in Manado.
